OBJECTIVE:

Hard-working student actively gaining experience and learning the skills needed to build a successful career in event production

EXPERIENCE:

Mayo High School Talent Show – Executive Producer **March 2023 – March 2026**

- Designed and managed a complete audio and lighting setup for the live show
- Worked with 10 individual acts to maximize the impact of their performances
- Mixed personalized recordings of each act
- Performed in various ensembles, trumpet solos, and jazz groups

Mayo Symphonic Winds, Symphonic Strings, Jazz Band **December 2023 – May 2026**

- Installed various configurations of microphones to make professional recordings, and to add appropriate amplification support
- Performed on trumpet with Symphonic Winds, Symphonic Strings, and Jazz Band

Mayo Fall Musical Pit Orchestra and Sound **November 2023 – November 2025**

- In 2025, I designed a low-latency remote pit orchestra solution, including Dante and SDI video, plus an included monitoring system
- In 2024, I assisted the music director by preparing audio cables, feeds, and talkback system
- Served as trumpet player for 3 musicals, and sound crew for spring play

Rochester Mayo High School Marching Band – Game Show **August 2025**

- Fully planned and implemented the “Band is ‘Family Feud’” event
- Designed a complete one-hour game show experience for over 80 students
- Utilized microphones, sound effects, and theater lights

Ascension Evangelical Lutheran Church **August 2024 – Present**

- Set up audio hardware and configured mixer settings for a 9-member praise band

91st Annual Big 9 Music Festival Select Concert **May 2025**

- Organized an amplification system supporting the live concert for ~400 musicians
- Performed with the Big 9 Select Orchestra on trumpet

Undertakers School Dance Djs **2024 – Present**

- Installed temporary audio, video, and lighting solutions for school dances
- Prepared equipment for travel

TECHNICAL SKILLS:

- Designed utilized and repaired installations of Yamaha, A&H, Behringer, Q-SYS, Blackmagic SDI, and RTS Intercom systems.
- Audinate's Dante Level 3 Certification
- Linux server installation and maintenance
- Comprehensive understanding of network infrastructure – A/V-focused programs
- Altman and ETC spotlight and dimmer controls; ETC Eos Family

PORTFOLIO:

Photos of my production setups and audio samples of performances I have recorded and mixed.
